

This is a detailed cadastral map of a rural area in Poland, showing land parcels, roads, and settlements. The map is color-coded: orange for built-up areas, purple for agricultural land, and yellow for forested areas. A pink line indicates a boundary or road. The settlements shown are Lipie, Albertów, Stanisławów, and Lindów. The map includes numerous parcel numbers and a scale bar.

Settlements:

- Lipie:** Located in the bottom left corner, featuring a cluster of orange-colored buildings and a road.
- Albertów:** Located in the center-left, featuring a cluster of orange-colored buildings and a road.
- Stanisławów:** Located in the center-right, featuring a cluster of orange-colored buildings and a road.
- Lindów:** Located in the top right corner, featuring a cluster of orange-colored buildings and a road.

Land Use and Features:

- Orange:** Built-up areas, including buildings and roads.
- Purple:** Agricultural land, including fields and pastures.
- Yellow:** Forested areas, including trees and shrubs.
- Pink Line:** A boundary or road running diagonally across the map.
- Parcel Numbers:** Numerous numbers are scattered across the map, identifying individual land parcels.
- Scale Bar:** Located in the bottom right corner, indicating distances in meters.
